Article 3.8.0 Starting Order and Intervals

Regardless of the manner in which the start order is established, as per Article 3.8.1, 3.8.2 or by a separate proposal put up by the Clerk of the Course, the first 3 cars should be started in reverse order at the start of the event.

While establishing the start order for Leg 2, the first 3 cars proposed in order of results or after repositioning should again be started in reverse order.
